**PL:** "Prüfungsleistung" = graded exam; **SL:** "Studienleistung" = ungraded, pass/fail exam; **CP:** credit points

- **OrMo:** Attend the mandatory lecture series and pick 2 additional seminars of your choice from the OrMo course pool. In one of these, do a graded PL, in the other one an ungraded SL.
- **UEP1 & 2:** UEP1 is a 4-hour/week class in the winter term; UEP2 is a 2-hour/week class in the summer term.
- **ExMo1:** Pick 2 seminars of your choice from the ExMo1 + 2 course pool. In one of these, do a graded PL, in the other one an ungraded SL.
- **ExMo2:** Same as ExMo1.
- **SustMo:** You may choose to attend language classes, classes in different subject areas and/or complete an internship/semester abroad in an English-speaking country.
- **ReMo:** Attend a research seminar in your field of specialisation (literature, linguistics or cultural history) to prepare for your MA thesis.
- **SpecMo:** Pick 2 seminars of your choice from the SpecMo pick course pool. In one of these, do a graded PL, in the other one an ungraded SL.
- **AWE1 & 2:** Collect 9 CP for each module. Keep in mind 30 hours of work count for 1 CP so 9 CP is approximately equivalent to 270 hours. Activities that count towards your CPs include but are not limited to workshops, helping organize and/or participating in conferences, internships, small publications, tutoring. See here for more information: <https://blogs.uni-bremen.de/maesc/academic-work-experience-1-2/>
- **MaThe:** Attend a research colloquium during the semester, write your MA thesis, and attend a final colloquium where you defend your thesis.
