

# WP 4.1 Establishment of sectoral collaborative platforms in each PC

**Collaborative Webinar and Stake Holder Engagement** 

Benefits to stake holder under the Research Theme (Coastal, Marine, Delta) MARE Marine Coastal and Delta Sustainability for Southeast Asia Grant

### 1.0 OBJECTIVE

To propose an engagement planning with the stakeholders through series of webinar and sharing session with collaboration between other higher learning institution focusing on the and theme of Coastal, Marine and Delta.

# 2.0 BACKGROUND

The effectiveness of the MARE Marine Coastal and Delta Sustainability for Southeast Asia Grant not only measured via the amount of project conducted but also the involvement and the response from the respective stakeholder as a tool to counter measure the effectiveness of the program. The engagement and feedback from the stakeholder will be one of the critical aspects under the MARE Marine Coastal and Delta Sustainability for Southeast Asia Grant.

To get the feedback, a series of webinar and sharing session were initially planned and set between four (4) higher learning institutions that share the same interest and aspiration with the MARE Marine Coastal and Delta Sustainability for Southeast Asia Grant program. The institution involves include Universiti Teknologi PETRONAS (UTP), Universiti Malaysia Terengganu (UMT), Universiti Islam Antarabangsa Malaysia (UIAM, Kuantan) and Universiti Teknologi Mara (UiTM, Perlis). Each institution will organize the event in turn. The speakers will be selected among the piers and the session will be open with free access to all.

# 3.0 WEBMINAR PLANNING

The initial plan is to conduct one (1) webinar per month beginning from January 2021 with different topics related to the MARE research theme. The session will conduct with maximum 2 speakers and one (1) hour duration including the question-and-answer session. Targeted audience will be from the undergraduate and post graduate students, academician, government, and private company operative.

# 4.0 OUTPUT/FEEDBACK SURVEYS

At the end of every webinar and sharing session, every participant is required to answer an output/feedback survey related to the webinar and the sharing session. The output from the survey will be used as a measurement tools on the effectiveness of the program and for the betterment of it. The output/feedback draft as per Appendix I.
